

Thanet Astronomy Group

Astronomy for Everyone in Plain English

Agenda 018

Date 4 November 2015

Time : 7:30 Start

7:30pm Welcome and Notices

Thanks and Updates – Gill P (Secretary)

7:40pm Danny Stellarium

To start with tonight we will be quickly covering the basics of installing and using Stellarium for our new members.

Followed by some tips and tricks and a Q & A to help more experienced users.

We will then take an early tea break.

8:15pm Break Time

Comfort Break: The Cafe will be staffed and Teas, Coffees, Snacks etc. will be available.

8:30pm We will split into two groups

Group 1 Comet Catalina (C/2013 I10) George Ward and Gill Palmer

All the information you will need about Catalina

Group 2 Telescope Internals Danny Day Tracy Howes

For all those wondering what really makes a Telescope tick

we will be **Totally Stripping Down** a Skywatcher D114 F500 Newtonian Telescope

Then just maybe putting it back together. Will this Telescope Ever work again !!!

10:00pm Thank you for coming

We look forward to helping you achieve all your Astronomy goals.

Danny D - George W - Gill P

We are extremely grateful to Alan and Kate for the kind support they have shown us in providing a venue for our group at

West Bay Cafe Sea Road, Westgate-on-Sea, CT8 8QA.
